How to Register for Power The Vote
Step 1

You will start at our website: lwvaustin.org/ptv/

You will see the screen to the left. Click on the Event Registration button circled in the picture.
Step 2

You will arrive at our event website. From here, click the Registration button, circled in red.
Step 3

This is where you select how many tickets you want to Power The Vote. Click the plus button, circled in red, for as many tickets as you want.
Once you've selected your tickets (I selected 1), you will see a checkout button appear at the bottom of the page, circled in red to the left. Click on that button.
After you click check out, you will see this screen. Click the button Pay Now, circled in red. Don’t worry, the event is free so you won't pay anything at all!
Step 6

Event.Gives will ask if you want to login or register. Since this is your first time using Event.Gives, you will click Register, circled in red.
Step 7

Here you will put your information in to register. One thing to note: it asks for a mobile phone number but if you do not have a cell phone that's okay. Just put your landline number in, as you can use a computer to watch the event. Be sure to fill in each field and click the box to the right of Agree to Terms of Service before selecting Submit.
Step 7 continued

Here you can see that I've filled in all the information. Now that I've filled in all the fields and agreed to the Terms of Service, I'll select Submit, circled in red.
Step 8

Once you submit, you'll see this screen. Click Ok.
Step 9

You will be asked to put in your address. Fill in all the fields and then click Submit.
Step 10: Done!

Congratulations! You're signed up to Power The Vote.
