Letter from the President

Fall represents a time for transformations. Temperatures begin to drop, and leaves change color and fall to the ground. It reminds me that change can be hard but is necessary for growth. It is the perfect time to reflect and embrace change.

Our Fall Kickoff & 100 Years Strong Celebration is on Sunday, Sept 22nd. Please feel free to dress in a period costume of any era over the past 100 years! I’m deciding whether to do a 1900's suffragist, a 40's Rosie The Riveter, or in a 60's Hippie/Flower Power outfit. This event is very different from years past and should be a lot of fun. Don't forget to RSVP as soon as possible at http://lwvaustin.org/rsvp100.

New voting machines are coming to Travis and Williamson Counties starting with the November election. Thank you to Dana DeBeauvoir and her team for the training session on the new voting system. We are planning another session with them soon and will provide updates when we have more information.

LWV-AA will help to inform the public about the new voting system. Please keep an eye out for more information on how you can help with this!

Tuesday, September 10th at 1:30 p.m. at the State Capital is the first opportunity for you and others in the Austin Area to provide public input on the Redistricting process to take place in 2021. Find information about how to prepare your testimony for the hearing here.

And last but not least, check out LWV Austin Area segment on KUT’s September Get Involved Spotlight!

**Volunteer Spotlight**

Do you love to bond over bond elections? Do you find yourself discussing land use codes at parties? Are you arrested by the topic of criminal justice?

If yes, then the Programs & Advocacy committees want YOU. We meet the third Saturday of every month at 11:00 at the League office. During this time, we discuss what's happening in our local government and League positions concerning current topics. The time commitment from committee members is only a few hours a month! Please join us to find out more.
